APPRENTICESHIP CAROLINA PROGRAM

Join us in celebrating 10 years of success through our Apprenticeship Carolina Program! Apprenticeship Carolina, a division of the SC Technical College System, works with SC House Calls to ensure access to the information and technical assistance needed to create demand driven Department of Labor Registered Apprenticeship Programs. Our 10 year partnership has led to the implementation of 13 active registered apprenticeship programs.

SC House Calls is dedicated to the pursuit of excellence in providing the best care possible to the residents of South Carolina through our integrated healthcare services. We believe that education and training provided to our employees are a pivotal part of achieving this goal. A highly trained and highly motivated workforce are key elements to SC House Calls success.
